On behalf of the campus ADMAN Group, we fully support a concerted effort of streamlining processes and encourage campus and central review committees such as CAP, Joint, Federation Administrative, FPCs, etc to migrate to the MIV program. ADMAN recognizes and embraces the necessity and urgency to eliminate duplicate systems / paper duplications and streamline the M&P process.

It is extremely crucial that campus moves towards streamlining processes quickly, especially in this time of budget crisis, furloughs and workload issues, we urge a commitment from campus and central review committees to implement and adapt MIV if possible.

Sincerely,

D Madderra
